

# AgroVit® PigAlive

## Dietetic feed for piglets

### Fast-acting energy booster for newborn piglets

AgroVit® PigAlive helps to get the smallest pigs into the weaning stable.

With AgroVit® PigAlive you get:

- The smallest piglets to the sow's colostrum
- Lower rate of mortality in the farrowing stable
- Better digestive health of the smallest piglets

AgroVit® PigAlive adds a:

- High content of A, D3, E vitamins and + energy
- Stronger immune system for the newborn piglets
- Stabilization of the fluid and electrolyte balance

AgroVit® PigAlive is:

- Easy to use - 1-2 pumps per pig
